Golden Isles Community Sailing Center

2015 Summer Sailing Camps

Opti 1 Camp Ages 5-6 8 am - 10 am \$160

This is an introduction to sailing which is taught in the Optimist sailboat. The class starts around the dock where kids become acquainted with the boat and safety rules. They then move to the water and learn how to steer a boat, pull in the sail and determine where the wind is coming from. The class will then progress to deeper water and sailing around marks. Games and fun activities are incorporated to keep learning fun.
